

# You save we donate!

## Reduce your phone bill and support a charity of your choice

**Support Telecom** works with charities and businesses to reduce their phone bills. Imagine, not only reduced phone costs, but every time you make a call you help your charity.

As well as reduced phone bills there are many other benefits for your organisation:

- ✓ **Demonstrate corporate social responsibility**
- ✓ **Raise your company profile through PR opportunities**
- ✓ **Make a difference within your local community**
- ✓ **Reduce your carbon footprint**
- ✓ **Special rates to mobiles**
- ✓ **Free management reports**
- ✓ **Internet billing available free of charge**
- ✓ **0800, 0844, 0845 and 0871 numbers available free of charge**

"I am saving on my phone bill and helping St Luke's Hospice every month"

David Datson  
Maynard Heady  
Chartered Accountants

"Support Telecom is a great partner for St Luke's, their service is excellent"

Chris Cox  
St Luke's Hospice

Support Telecom's unique programme means charities and their business partners benefit.

If you don't currently have such a relationship, you can still take advantage of Support Telecom's superb tariffs. We'll work with you to build a relationship with a local or national charity, and you can enjoy the other real benefits such a relationship brings.

Being associated with a good cause can enhance the image of your company or brand. It shows your clients, stakeholders and employees that you're committed to corporate social responsibility, and research shows that employees like working for responsible companies.
